§ 1960.36

- (3) Inspections resulting from employee or committee reports of unsafe or unhealthful working conditions.
- (b) The Director of NIOSH shall provide a Hazard Evaluation (HE) program for Federal agencies. This program shall be designed to respond to requests for assistance in determining whether or not safety or health hazards are present in a Federal workplace. Requests for such Hazard Evaluations may be submitted to the Director by:
 - (1) The Secretary of Labor;
 - (2) The Head of a Federal agency;
- (3) An agency safety and health committee if half the committee requests such service; and
- (4) Employees who are not covered by a certified safety and health committee.
- (c) The Director of NIOSH may assist agencies by providing hazard alerts, technical services, training materials and conducting training programs upon request by an agency and with reimbursement.

Subpart F—Occupational Safety and Health Committees

§ 1960.36 General provisions.

- (a) The occupational safety and health committees described in this subpart are organized and maintained basically to monitor and assist an agency's safety and health program. These committees assist agencies to maintain an open channel of communication between employees and management concerning safety and health matters in agency workplaces. The committees provide a method by which employees can utilize their knowledge of workplace operations to assist agency management to improve policies, conditions, and practices.
- (b) Agencies may elect to establish safety and health committees meeting the minimum requirements contained in this subpart. Where such committees are not established or fail to meet the minimum requirements established by the Secretary, the Secretary is authorized by section 1–401(i) of Executive Order 12196 to conduct unanounced inspections of agency workplaces when the Secretary determines them necessary.

§ 1960.37 Committee organization.

- (a) For agencies which elect to utilize the committee concept, safety and health committees shall be formed at both the national level and, for agencies with field or regional offices, at appropriate levels within the agency. To realize exemption from unannounced OSHA inspections, an agency must form a committee at the national level and at any establishment or grouping of establishments that is to be exempt, keeping the Secretary advised of the locations and activities where such committees are functioning.
- (1) The principal function of the national level committee shall be to consult and provide policy advice on, and monitor the performance of, the agency-wide safety and health program.
- (2) Committees at other appropriate levels shall be established at agency establishments or groupings of establishments consistent with the mission, size and organization of the agency and its collective bargaining configuration. The agency shall form committees at the lowest practicable local level. The principal function of the establishment (or local) committees is to monitor and assist in the execution of the agency's safety and health policies and program at the workplaces within their jurisdiction. Any dispute over the meaning of the term "appropriate levels" shall be resolved by the Secretary.
- (b) Committees shall have equal representation of management and non-management employees, who shall be members of record.
- (1) Management members of both national level and establishment level committees shall be appointed in writing by the person empowered to make such appointments.
- (2) Nonmanagement members of establishment level committees shall represent all employees of the establishment and shall be determined according to the following rules:
- (i) Where employees are represented under collective bargaining arrangements, members shall be appointed from among those recommended by the exclusive bargaining representative;
- (ii) Where employees are not represented under collective bargaining
